By signing this contract, you are agreeing to the following:

Should you need to reschedule due to illness, please give me 24-48 hours' advance notice if possible. You are allowed one event of rescheduling but please give me as much notice as possible. Please note that with photo editing software, I can erase bumps and grazes if necessary. Please don't reschedule for minor skin injuries. If the weather is torrential and we cannot shoot, the session will be rescheduled or shot in a different location. Clouds, wind, light sprinkles aren't a problem and I usually go ahead in this case. Please do not bring your own camera or recording equipment to the session. If a camera is present, I will have to request that it be put away and this is a very awkward moment which I would love to avoid. Photographs taken by Pue Fisher (A Fresh Pair of Eyes Photography) may be used for the purposes of display, advertising, portfolio, website or any publication to promote my business. Should you decide to purchase additional prints/products/cds/dvds, your purchase of the original files releases AFPE from any liability due to loss or damage of the images, and also releases AFPE from any obligation to maintain copies of any digital file, image, or photograph. You hereby grant to AFPE the right to use and publish images and photographs taken at your photography session. AFPE agrees to limit the use of these images and photographs to promotional use only. Due to the custom nature of photography, all sales are final.

A Fresh Pair of Eyes Photography is not responsible for transportation; nor for accidents that may occurred before, during or after photo session.

I am obliged to explain the following:

Upon viewing samples of my work, you have decided to invest in my services to photograph you and you family because you are confident that I can give you results which you will cherish. There is no knowing what photos will be produced from this endeavour simply because this is an event in the future.

I am unable to make promises regarding the number of images which will be produced from my endeavor, although on average, many clients receive 10-20 images for preview. As an artist, I reserve the right to artistically interpret what I see and in what ways I choose to photograph a scene. This may mean that some shots are colour, some are B&W. This is my artistic interpretation and vision as an artist.

Lastly, you agree to promote A Fresh Pair of Eyes Photography and share with your friends/family, & acquaintances.
